Reception Starters – September 2022

If you have a child due to start school in September 2022 please note the deadline to apply for a primary school place is 15th January 2022. Please log into [NYCC Admissions](#) for further information.

Special Lunch – Thursday 20th January

We will be having a special lunch celebrating Heinz Day on Thursday 20th January. We will be serving sausage and beans casserole with dumplings, potato wedges, broccoli and sweetcorn followed by chocolate fudge pudding and custard.

Harrogate District Walk to School Day – Friday 4th February

Get active whilst helping combat climate change! Can you leave the car at home for most, if not all of the school run on Friday 4th February?

49% of our district's carbon emissions come from transport, which makes it the largest contributor to our district's carbon footprint. It's also 28% above the UK average! By choosing a more sustainable form of transport, you can do your bit to help protect our communities and our planet by tackling climate change. Even if you live too far from school to walk or cycle all the way, there are other options such as public transport, car sharing or 'park and stride' – this is where you park sooner than normal and walk the last part. All these options will help lower our carbon footprint.

Every mile counts!

The physical and mental health benefits of exercise are well known, with studies also showing that walking to school improves concentration and helps students arrive ready to learn. Making the journey on foot, by bike or using public transport means fewer vehicles on the road, benefitting the wider community with less traffic and cleaner air.

Please go to <https://www.zerocarbonharrogate.org.uk/harrogate-district-walk-to-school-day> for more information.

For guidance on road safety please go to <https://www.sustrans.org.uk/our-blog/get-active/2019/everyday-walking-and-cycling/walking-safety-tips-for-children/>

The poster features a blue background with white and orange text. At the top left, it says 'Harrogate District WALK TO SCHOOL DAY' in large, bold letters. To the right, there's a logo for 'Harrogate BOROUGH COUNCIL' and 'YOUR Harrogate ZERO CARBON HARROGATE'. Below the main title, an orange circle contains the text 'Friday 4th Feb'. A path of footprints leads from the top right towards the bottom. In the center, a yellow star says 'Be a ZERO HERO'. To the right of the star, it says 'Walk, cycle, bus or 'park and stride' the last mile to help protect our planet!'. At the bottom, there's an illustration of five children in superhero costumes running. The bottom left corner has a circular logo with 'LOVE HARROGATE GO ZERO CARBON' and the slogan 'Every mile counts!' next to a leaf icon.

Exotic Animal Rescue Visit – Tuesday 18th January

A letter will be coming home tonight about an exciting visit next Tuesday for the whole school. This will be an amazing experience for the children and a great opportunity to get up close and personal to some amazing animals.

The Rescue centre are not asking for payment, however any donations would be gratefully received.

What are they learning?

Remember to look at your children's class pages on the website to see what they are learning this term. You will find an overview of their learning, along with the knowledge organisers for each of the units. The knowledge organisers contain the essential knowledge for each unit of work, including vocabulary.
