Extreme Weather

The Met Office has extended an [amber extreme heat warning](#) for Sunday 17 July, Monday 18 July and Tuesday 19 July, as temperatures will build this weekend and early next week for much of England and Wales.

The school will remain open during the forecast spell of hot weather. Children may wear either their uniform or PE kit - whichever you feel would be best. Make sure they have water bottles with them, a sunhat and sunscreen. Year 6 children please leave your hoodies at home until the weather cools.

Smart Watches

Children must not have smart watches in school or any other watch that contains camera function.

Class 5 – The Lion King

To give an idea of how many seats are needed in Church please complete the [form](#) which was sent by text earlier today. Children in school have already seen the performance.

Lightwater Valley

Thank you for all the offers of help, if you are required a teacher will have made contact with you. If you haven't consented yet please do so.

Reading Books

Please can all school reading books be returned to school by Tuesday 19th July.

Year 6 Leavers' Service

Thank you to the parents who joined in with the end of term service as we said goodbye to our Year 6 children. The children have been fantastic ambassadors of the Federation of Sharow and Skelton and we wish them every success in Secondary school.

KS2 Multi Sports Club

Due to the forecast of hot weather, Sports Club is cancelled next week. We hope that everyone who has taken part has enjoyed the sports on offer. If you have any suggestions, or contacts, for other after school clubs please let us know.

Change of menu – Monday and Wednesday

Monday - The main option will be pizza, chips, peas and sweetcorn followed by custard cookie. Jacket potato and sandwich options will still be available to order.

Wednesday - The main option will be beefburger in a bun, saute potatoes, sweetcorn and green beans followed by chocolate mousse and shortbread. Jacket potato and sandwich options will still be available to order.

Sapphire House - Blue Team

Congratulations to the BLUE team who have won the most cotton reels this term. They have decided for their reward, to come in non uniform and bring a teddy to school on Wednesday 20th July.

September School Uniform

Following consultation with the school council and the parent forum, there will be a slight change to the school uniform from September 2022.

Key stage 2 children will no-longer be required to wear a shirt and tie and will instead be asked to wear a white polo shirt. The school uniform will therefore be:

Black shoes, white polo shirt, Sharow school navy jumper or cardigan, navy or dark grey skirt, skort or trousers. Blue gingham dress or dark grey shorts in the summer.

As we encourage our Reception children to spend their learning time exploring the environment, which very often includes mud, sand, paint and water, the children in reception can wear either a white or navy-blue polo shirt.

PE Kit:- Blue shorts, plain white t-shirt, socks, pumps, trainers (for outdoor use). Navy tracksuit bottoms and Sharow school navy jumper (winter uniform).

Hair must be tied up and no jewellery to be worn.

FOSS (Friends of Sharow School) regularly hold preloved uniform sales where you can buy good quality school uniform at minimum cost.

Sharow school jumpers can be purchased through the online School Uniform Shop <https://school-shop.co.uk/school/sharow-ce-primary-school/>

Uniform give away - All uniform that was donated to FOSS has been washed and ironed. This will be available on Wednesday at morning drop off and after school for you to help yourself to.

Dog safety

Leading animal welfare organisations have teamed up to produce a shareable infographic to encourage safe interactions with dogs.

Recently we've seen several tragic dog attack fatalities, so it's paramount that families are equipped with the knowledge and skills they need to enjoy spending time with their dogs safely.

The Canine and Feline Sector Group Dog Safety Code highlights three crucial messages that all dog owners and families need to know:

- **Be alert** – Always keep an eye on your dog around kids. Never leave them alone together
- **Be aware** – Dogs use signals to tell us how they feel – What is your dog telling you?
- **Be safe** – Any dog can bite. Accidents happen fast.

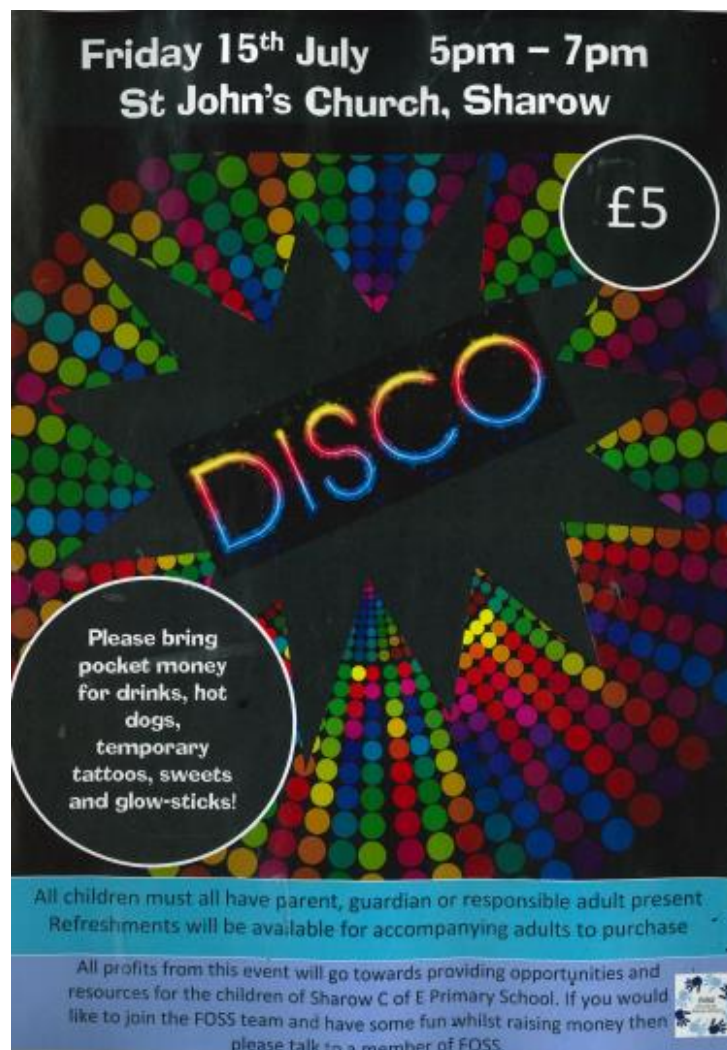

We're encouraging safeguarding partners to display and share the infographic as widely as possible to get the #DogSafety message out there.
