22nd School closes early at 2.15 for Sharow and 2.30 for Skelton

Parent Survey

Thank you to everyone who took the time to complete the parents survey. The information is very useful to us to and helps us to plan our future actions.

KS2 Cross Country

Well done to all the children who took part in the KS2 cross country at Newby Hall. The year 6 children also took part in some team building games with year 6s from the Ripon cluster schools that will be going to the same Secondary School in September. Thank you to Mrs Wass, Mrs Philpott and Mrs Butterfield for assisting.

Hedgehogs

Class 1, 2 & 3 had a visit from four hedgehogs. Unfortunately, their house had been destroyed and with no sign of their mother they are being cared for in a lovely home of a class 1 family. The children learnt that the hedgehogs need to be at least 200g before they are big enough to be released back out into the wild.

Bland Close Farm

Children in Class 2 and 3 enjoyed a trip to Bland Close Farm. The farm is a working mixed farm so the children were able to learn lots about the different jobs there. Please check out the class pages on the website to see the photos.

KS2 Organ Festival

The KS2 children attended Ripon Cathedral on Tuesday for a music festival. The children reported this was really good but the walk was tiring!

International Mud Festival

Thank you to Dan Metcalfe who came in today for all things mud with the children. Messy hands and lots of fun was had by the children. The children created their own sculpture containing poppy seeds to be stored in the freezer to imitate winter. After 10 days they can be planted outside to be tricked into thinking its summer and can bloom.

Class 3

Last night the Year 2's camped on the school field. They enjoyed spending the night with friends, walking to the woods to create clay faces on tree trunks and crafting some wands from sticks they found. Check out their class page for lots of photos and to see what else they got up to.

Vacancy

We are looking for a vibrant Club Supervisor Monday – Thursday 3pm until 5.15pm. For full details please click [here](#).

Completed application forms should be emailed to admin@sharow.n-yorks.sch.uk by 9am Monday 4th July 2022. Interviews will be held on Thursday 7th July 2022.

FOSS

Thank you for the donations last Friday. By wearing red, white and blue we managed to raise a fantastic £79.60.

Summer Fair

Some families are concerned about the price of the entry to the summer fair which is being held at Sharow School on 2nd July.

Foss would like to add the following deals: Siblings offer - first child £8, second child £6, third child £4

Secondary school aged children will be admitted FREE (please note 12s and over will be allowed on the bouncy castle at our discretion; there will be a small charge for face painting)

We'd like to stress that the ticket really does provide value for money as it will include unlimited bouncy castle access (queue permitting!), face painting, bush craft session, obstacle course, magician, games and more.

Please come and make an afternoon of it!

Do you know which apps they are using? [Apps guide for parents](#) | [Internet Matters](#)

Although child-friendly apps can make using the internet a more accessible and enjoyable experience, the thousands of apps available for different types of people mean it's important to make sure children use appropriate ones. www.internetmatters.org
