Thursday 7th October – National Poetry Day Lunch

Friday 8th October – National Walk to School Day

Monday 11th October – Flu Immunisations

National Poetry Day Lunch

We will be offering a special lunch on Thursday 7th October for National Poetry Day, please see attached flyer for details.

National Walk to School Day

On Friday 8th October schools across the whole district, both secondary and primary, will be swapping their car commute (or at least the last part of it) in favour of walking, cycling or taking the bus/train, as part of a community effort to reduce our district's carbon emissions.

Some pupils who live in rural locations may feel they cannot get to school any other way than with their car, so car sharing and the 'park and stride' option also count. If parents can park their car sooner than normal, and walk the last part, that still lowers their carbon footprint. Every mile counts!

Nasal Flu Immunisations

Harrogate and District NHS Foundation Trust will be visiting the school on Monday 11th October at 11:00am to carry out the immunisation programme. As a reminder please find attached the letter detailing how to consent for your child to receive this immunisation.

Parent/Carer Acceptable User Agreement

Please find attached a copy of the Parent/Carer Acceptable User Agreement, a paper copy will also be sent home with your child today. Please can these be signed and returned to school by Friday 8th October.

SEND Webinars

Please see the attached flyer for information on virtual SEND webinars from Parent Carer Voice, these are available for all families.

Sexual harassment and abuse

Children and young people are most likely to be at risk of sexual abuse within their family and community. But not all sexual abuse is carried out by adults. Around one-third of child sexual abuse is thought to be carried out by under 18s. And as Covid-19 restrictions mean that some children might be spending more time unsupervised offline and online or away from supportive adults, there's a real danger that cases of harm might increase. That's why [Stop It Now! UK and Ireland | Preventing child sexual abuse](#) have made a guide for parents, carers and professionals on preventing harmful sexual behaviour to help everyone do their part in keeping children safe.
