Queen Elizabeth II

The federation is deeply saddened by the passing of our dearly loved Queen. We really enjoyed getting to know more about her and celebrating her character and achievements as part of this summer's jubilee celebrations.

Today's collective worship allowed us to reflect on her life and consider our own thoughts and feelings sharing in prayer.

We have also opened a book of condolence where we are able to share our thoughts.

Welcome

It was lovely to see the children looking very smart and ready for learning on Tuesday morning. We welcomed 1 new nursery child, 10 Reception children at Sharow School and 2 Reception children at Skelton Newby Hall School. We also welcome Annabel, Henry, Bea and Tom to Sharow School. We extend a warm welcome to all our new starters and their families and to all of our extended school community.

We say goodbye to Mrs Mardon who leaves us today and wish her well in her new career.

Please could the consent forms that were emailed out on Monday be returned as soon as possible. If you require a paper copy, please let the school office know.

Medical

If we held medicine in school last year for your child and your child currently does not need the medication please email confirmation to admin@sharow.n-yorks.sch.uk or admin@skeltonnewbyhall.n-yorks.sch.uk and we can update our records.

Jewellery

If a child has pierced ears (plain stud earrings only), the earrings must be removed before coming to school on PE days. Clip on earrings and dangly earrings are not permitted.

Watches are permitted on the understanding that school cannot accept responsibility for loss or damage.

Pupils should not wear any other jewellery.

FOSS

FOSS has been a successful fundraising organisation at school for many years. With the financial cuts that all schools have experienced over recent years, the money FOSS raises has been invaluable and provides the 'luxuries' to support the learning for all our children.

As parents and carers contribute from all ages, FOSS try to ensure that the money is spent on projects that benefit all children.

FOSS have significantly developed our grounds and over the years a great deal has been spent on providing high quality reading materials for our pupils. Last year the focus was on smart boards for classrooms and Sharow School were delighted to receive 2 interactive smart boards and a contribution towards the Platinum

Jubilee coins that were gifted to each child. FOSS members are also invaluable in offering refreshments at sports day and nativity/class 5 performances.

Fundraising events such as Bags2School, tea towels, Christmas cards, discos and fairs are held regularly to raise much needed funds as well as giving you the chance of meeting new people and making new friendships.

As FOSS are always trying to raise funds to help our children, the more commission they can earn the better for us all, which leads me onto..... Christmas cards! Over the next week your child will be designing their own Christmas card which will be produced and a sample sent home for you to see. You can then purchase packs of Christmas cards, with your own child's unique design, to send to family members and friends.

If you are doing your shopping online, please also sign up to easyfundraising. Over 4,000 sites will give us a free donation every time you shop online. [Easyfundraising/Sharow School](#)

FOSS also have a Facebook page, Friends of Sharow School PTA.
